

Thames Valley Health and Safety Group

The meeting place for Health & Safety Practitioners and everyone interested in health and safety at work - in the Thames Valley

The objective of our group is to encourage the flow of health and safety information and real issues between members. In this way, we hope to promote safer and healthier workplaces.

We endeavour to produce an annual program to stimulate the interest of the entire group and encourage them to use what they learn.

Group members come from all work roles that range from HSE Inspectors, EHO's, Borough Council Advisors, Independent Consultants and H&S Managers from large and small commercial businesses.

Cost for annual subscription is £40.00 for companies, which allows attendance with voting rights for two people, or £30.00 for individuals.

If you feel we can be of assistance or require more information, please ring me, come along free of charge to any one of our meetings held in Slough or send this form back to me.
