

Thames Valley Health and Safety Group

The meeting place for Health & Safety Practitioners and everyone interested in health and safety at work - in the Thames Valley

FOR THE ATTENTION OF ALL WHO HAVE HEALTH AND SAFETY RESPONSIBILITIES

The Thames Valley Health and Safety Group are a mixture of members from all industries and roles within companies and organisations. All with a common interest in health and safety. Some as professional practitioners and others, who have responsibilities for health and safety as part of their main role. It is a friendly group and the aim of the membership is to help each other, especially those who are in need of information and support. We have involvement from Local Authorities and members from both the public and private sectors.

The Group meet monthly to network and share experiences and knowledge. We also have guest speakers at each meeting, presenting on specialist topics. This is generally on the second Tuesday afternoon of each month and is located at the Slough Borough Council Office. For more details on location and dates of meetings, please refer to the Group's website; www.tvhsg.org. Or, contact the Group by email info@tvhsg.org.

Don't delay, check us out and come to a meeting. If you gain any benefit from the Group, you can then decide whether to join or not. The annual subscription is very reasonable and the benefits of membership can be highly appreciated.

Thank you for taking the time to read this flyer and we hope to hear from you in the very near future.

Kind regards,

Andy Joseph-Green
